

JAZZY AUTOMOTIVE + SLAPWRAPZ

Referral & Lead-Source One Sheet

MUTUAL REFERRAL FRAMEWORK

Draft for discussion - simple, fair, trackable

TRANSIT JOB

FORD TRANSIT

Total quoted job: \$4,500
Deposit already collected: \$2,500
Remaining balance due: \$2,000
Proposed first-job Jazzy payout: \$500
\$500 equals 11.1% of the total job.

WHY A CLOSED LEAD HAS VALUE

This was not just a name or phone number. It became a real booked wrap job with a deposit paid. A strong lead is valuable when the customer is local, has the vehicle, understands the price range, and moves forward with money down.

PAYMENT RULE

Referral payouts should be based on collected money, not just quoted money. For this first Transit job, the \$500 payout would be paid after the final balance is collected and the job is past refund risk.

JAZZY -> WRAP LEADS

TO SLAPWRAPZ

Lead type	Payout
Basic referral	5%
Warm / qualified lead	7.5%
Jazzy helps close	10%

On the \$4,500 Transit job:
5% = \$225 | 7.5% = \$337.50 | 10% = \$450
\$500 can be treated as a first-job relationship bonus.

SLAPWRAPZ -> PPF / TINT

TO JAZZY

Jazzy walk-ins stay Jazzy. But if SlapWrapz / Blue Woods creates the lead through website forms, QR codes, Facebook, Instagram, Google, paid ads, organic online traffic, or Ashley's direct sales work, Ashley should be paid on the closed job.

Suggested payout: 10% of collected job total.
Paid ad leads: ad cost should be tracked/recovered first, then payout is based on the collected job.

ALONZO / REPEAT CUSTOMER POTENTIAL

One strong customer can turn into multiple jobs.

Example discussed:

- Watercraft: maybe \$5,000
- Trailer: could be \$6,000+
- Two trucks: around \$2,800 each = \$5,600
- Motorcycle, ATV, and other items: TBD
- Jazzy said there may be another one right now

Known potential before motorcycle/ATV/other lead:
\$16,600+

LEAD SOURCE TRACKING

Lead source should be marked before the job is sold:
Jazzy Walk-In | Jazzy Referral | SlapWrapz Organic Lead | SlapWrapz Paid Ad Lead | Blue Woods / Ashley Direct Lead | Website Form | QR Code | Facebook / Instagram | Google

SIMPLE RULE

Pay for created business, not for existing walk-ins.

If Jazzy creates a wrap lead that closes, Kevin/Jazzy gets paid. If SlapWrapz / Blue Woods creates a tint or PPF lead that closes, Ashley gets paid. Keep it mutual, simple, and based on collected job totals.
